

DEPLOY 505

Brand Guidelines

COLOURS

FONTS

DEPLOY 505

Organetto - font is meant for use in official publications for titles and logos (not all titles, but titles such as "CREATE101" or "Chambers").

DEPLOY 505

Intel One Display - font is to be used on all if any texts, subscripts, and such.

DEPLOY 505

Product Sans - font which can be used as an alternative to Intel One Display.

Fonts such as **Poppins**, **Montserrat**, and or any other Geometric Fonts can be used instead of Intel One or Product Sans

DEPLOY 505

LOGO USAGE

Full Colour Logo

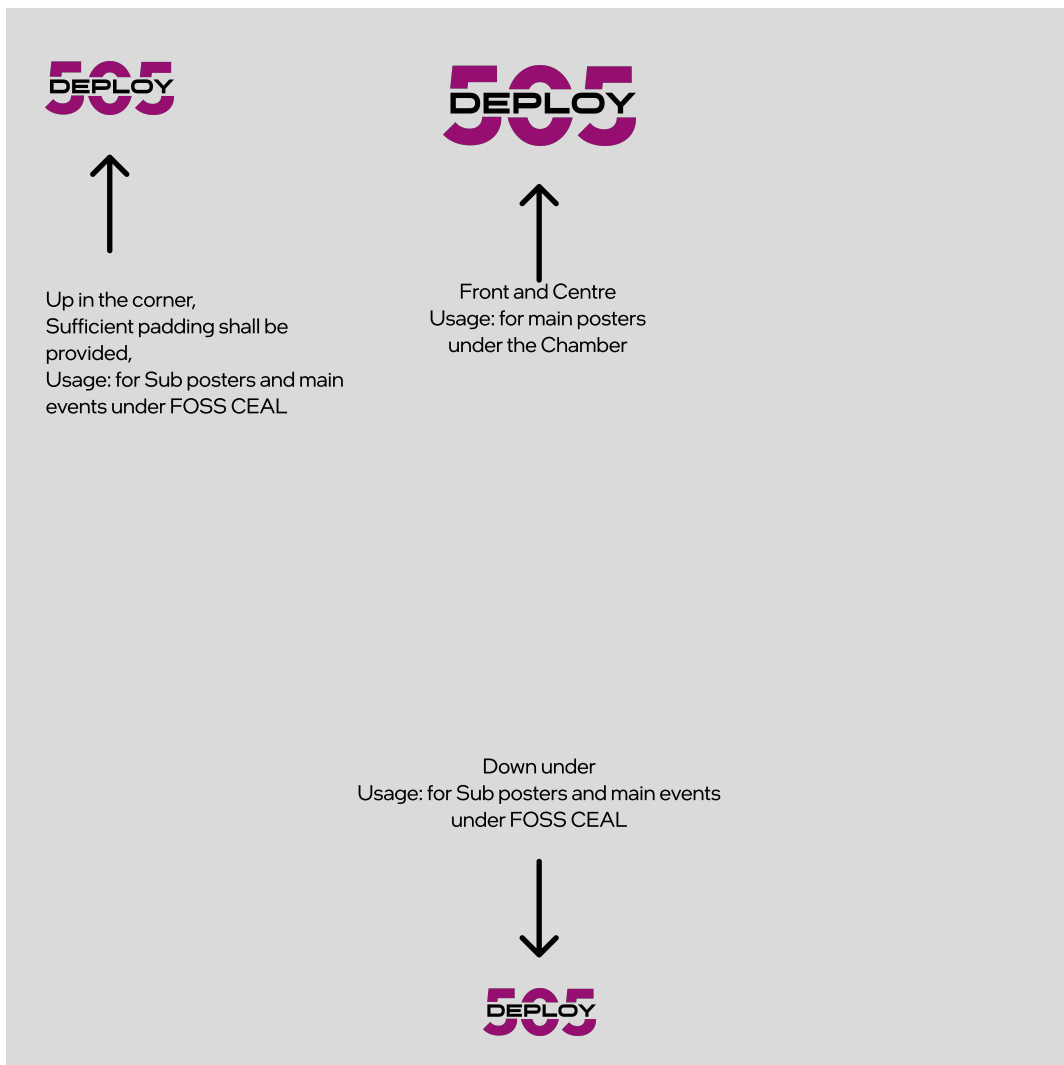

Stamp Logo

DEPLOY 505

LOGO USAGE

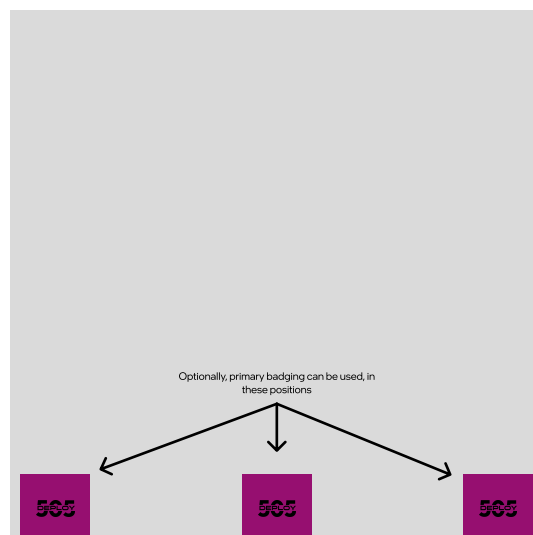

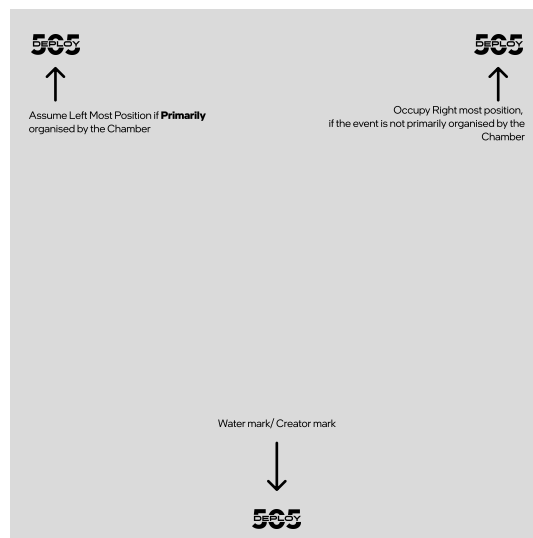

Full Colour Logo is to be used if and only if the said event is conducted by **DEPLOY 505** Exclusively

White and Black variant is to be used wisely according to visibility

LOGO USAGE

Stamp logo is to be used when the Brand name is not of prime importance, ie: for collabs, watermarks, etc

White and Black variant is to be used wisely according to visibility
